Crystal Essence Massage: Experience Crystal Spa's new signature full body massage incorporating our signature blend of lavender and mint to open up airways, stimulate circulation and relax the mind.

Indian Summer Massage: A relaxing Swedish massage consisting of smooth, long strokes with light to moderate pressure and pumpkin spice scented oil to warmly and gently stimulate the senses.

Next a revitalizing exfoliation scrub smoothes your skin and your treatment concludes with a luxurious massage of lower legs and feet to complete your relaxation. Enhancements for each service are available for \$20. Please inquire about these wonderful experiences upon making your reservation.

Northwest Territories

Dyanne Mullen was not only a long-time owner & member here at Crystal, but she was a generous individual who gave freely, especially to young elementary children with whom she worked. In the spirit of Dyanne, we'd like to gather in her honor and support a mission she held near and dear. 'Mrs. Mullen's Closet' was established after her passing to help elementary children with basic clothing needs.

Please join us for a night of fun supporting Dyanne's mission. A DJ will be spinning Motown tunes throughout the night mixed with other popular dance music. A taco bar will tickle your tastebuds and your sweet tooth will be satisfied with a visit to the sundae bar. Ten dollars of the ticket price will be donated to 'Mrs. Mullen's Closet,' administered by the Benzie County Educational Foundation. Please contact Stephanie Johnston for additional information or to purchase your tickets which will be billed to your membership account.

Come bid on a round of golf at Crystal Downs for you and two friends with a Crystal Downs member, a Loki chair, and much MUCH more!
